The method of hazard communication for South Fork Concrete Coatings is comprised of Product Labels and Safety Data Sheets. HMIS and NFPA ratings are provided by Statewide as a customer service. The handling of products containing reactive HDI polyisocyanate/prepolymer and/or monomeric HDI requires appropriate protective measures referred to in this SDS. These products are therefore recommended only for use in industrial or trade (commercial) applications.

The information herein is given in good faith, but no warranty expressed or implied is made. South Fork Concrete Coatings urges suppliers and users of this product to evaluate its suitability and compliance with local regulations as South Fork Concrete Coatings cannot foresee the nature of the final application nor final location of usage
